Children 22 and older must pay for a separate, single membership. I (and my family) understand that bulk tickets purchased through the Central Connecticut Snow Snakes Ski Club from the Connecticut Ski Council are only to be used by members of this ski club or other Connecticut Ski Council member ski clubs. Therefore I/we agree not to sell or allow any non-member to use the tickets that I/we have purchased. Further, when using our membership card on Connecticut Ski Council Days at ski slopes, we understand the card is only for our own use and each member must present his/her own card for verification. I/we understand that if tickets whose numbers are assigned to me/us are found to be used by any non-member, or if our membership card is misused in any way, all remaining tickets will be voided along with my present club membership and any future membership in any Connecticut Ski Council Club.
