**President's Message**  
by Lois Krause

Well, the season picked up in Jay Peak, VT – I am sorry for all of you who thought it would be too late to go. They had so much snow, and we got more on the way up, and most of the day Saturday. I would have to say – the best year yet for Jay Peak! Thanks Bill for setting things up, and thanks

Mark for “pushing us in the right direction” on the trip, and for being calm during our bus’ miss-hap! (Come to the meeting and hear the stories.)

Speaking of thanks, I will draw some names at our next meeting for prizes for Service, for our last time period for this season (in addition to holding the actual elections).

I know some of our favorite areas in VT and NH are still making and grooming snow, so use up your pre-buy tickets quickly because you have to have them back to Christina Logue by May 2<sup>nd</sup>. She can then log them and to the Council at the May meeting. We need to be ready and organized before then. Why not bring them to the April meeting and avoid any possibility of loss, or missing the deadline.

April is also our meeting for nominations/volunteers for club officers and service positions. Please see the explanations in another section of this newsletter. It can be a lot of fun, but it can also be a lot of work if you don't have help. My grandmother always said, “Many hands make light work”, and we have over 700 pairs of hands in the club, so how come it seems we have

“heavy work” much of the time? Well we do have fun most of the time we are doing it, or we just make it fun! Come join the fun, or at least think about it!

I found our Club Logos (old and 20<sup>th</sup> Anniversary) at the EmbroidMe at Auburn, MA. I will be setting up some items for both logos soon to be ordered from our website. You will be able to have them shipped directly to you, right online. I will have more information at the May meeting.

Got to go – lots to do to get ready for the end of the season!!!

Hope to see you on April 16<sup>th</sup> at 7:30 PM!

What do you want your ski club to be? Would you like to see weekend trips, or perhaps day trips with a special lodge area set up for members to hang out in? Perhaps you have an idea for a Friday or Saturday night social event? Let us know, or better yet start a committee to plan it out. This is your ski club – make the most of it.

## CSC NEWS

The ski mountains are still busy grooming this year's plentiful snow cover every night so that we can enjoy miles of spring skiing. Southern Vermont ski areas such as Mt. Snow and Okemo have extended their end of season date to April 20, along with lowering spring skiing lift ticket rates. Special discounts can be found on ski mountain websites

Deadline for newsletter entries is the first Monday of the month. Contact Linda Grodofsky at (860) 644-5924 or [lgrodofsky@aol.com](mailto:lgrodofsky@aol.com)
