- To receive credit towards this season's tickets, ordered tickets MUST be for the SAME AREA AND TYPE as the tickets returned from last season.

NEW for 2011-2012: Pre-Season Bulk Ticket Exchange

In past seasons, the Bulk Ticket Coordinator has organized a Bulk Ticket Exchange during the ski season. This gives club members who have bulk tickets that they are not going to use the opportunity to sell their tickets to other members who would like to buy them. This will be done again during this year's ski season. In addition, on a **TRIAL BASIS, FOR THIS SEASON ONLY**, the Bulk Ticket Coordinator is offering members who have credits from last season the opportunity to indicate that you would prefer to receive a refund for some or all of your bulk ticket credits rather than re-purchasing bulk tickets for this season. Since we have no idea how many total tickets will be ordered by the club for each area, **WE CANNOT GUARANTEE THAT WE WILL BE ABLE TO ISSUE REFUNDS TO ALL MEMBERS WHO REQUEST THEM.**

HERE IS HOW THE Pre-Season Bulk Ticket Exchange WILL WORK:

- 1) You must fill out the order and credit forms included here in their entirety, re-ordering all of the bulk tickets that you returned from last year, plus adding any additional bulk ticket that you wish to order.
- 2) **YOU MUST SEND IN A CHECK FOR THE FULL AMOUNT OF YOUR ORDER.**
- 3) In the space below, list the areas and numbers of tickets for which you are requesting a refund in lieu of receiving bulk tickets for the 2011-2012 season. Priority for issuing refunds will be given on a first come, first served basis, with the orders received by Patti first being first in line for receiving refunds instead of current bulk tickets.
- 4) If the club's bulk ticket order allows us to issue some refunds, you will receive a check from the club in December, when the bulk ticket orders are distributed to members.
