

Connecticut Ski Council Bulk Ticket Policy 2011-2012

The following is the policy of the Connecticut Ski Council regarding the sale and use of bulk ticket vouchers:

- Bulk tickets will be sold to Connecticut Ski Council member-clubs only, after one full year of membership in the CSC.
- Bulk tickets are for the exclusive use of dues-paying individual members of CSC-member ski clubs and their immediate families.
- CSC dues must be paid prior to placing bulk ticket orders.
- **Club membership cards with the current year's sticker must be available when redeeming vouchers for tickets. The resorts have the right to refuse redemption if no valid membership card is presented.**
- Distribution of tickets through other avenues such as, but not limited to, websites, eBay, scammed at resort parking lots, or included for guests in rental properties, will result in the banning of the individual from purchasing vouchers in subsequent seasons.
- Names of chronic or blatant individual violators will be provided to CSC-member ski clubs on an annual basis.
- No club may charge its members a per-ticket fee, and all clubs will sell vouchers at the discounted face value only. Actual postage and shipping fee may be charged on a PER ORDER basis only for vouchers sent to individual club members.
- Violation of these rules will result in possible termination of the individual's membership in his/her club, and possible expulsion of the club from the CSC.

RETURN POLICY

Magic, Killington, Pico and Sugarbush will accept only 15% unused vouchers; Bromley, Okemo and Mt. Sunapee will accept only 20% unused vouchers; and Stratton will accept only 10% unused vouchers at the end of the ski season for credit toward the next season's purchase.

New this year, Loon Mountain is offering bulk tickets and several other mountains have added new categories of bulk tickets. Stratton is offering a junior voucher for ages 17 and under. The Stratton adult ticket is direct-to-lift but the junior voucher must be redeemed at the ticket window.

Guidelines will be strictly upheld in order to maintain the integrity of this program.

“The CSC has the right to refuse entitlement of a CSC benefit to any club member who abuses the privilege, or is abusive to any ski area employee or CSC officer when the abuse concerns any promotion, discount ticket program, CSC Awareness Day, CSC Kids Day, or any other CSC function or event. This stipulation may be enacted by two or more officers of the CSC.”
